

## **Important Notice Regarding UK Financial Promotion Regime**

Olamit Pay does not provide services to residents of the United Kingdom in compliance with the UK Financial Promotion Regime related to crypto-assets. We are not authorized by the Financial Conduct Authority (FCA) to offer or promote crypto transactions to UK residents.

If you are a UK resident, please note that our platform and services are not available to you. We have implemented measures to restrict access to our services from the UK, and any attempt to bypass these restrictions is prohibited.

All information provided on this website should not be considered an offer, promotion, or solicitation for crypto transactions to any individual or entity based in the United Kingdom.

For further clarification or if you have questions, we recommend seeking independent legal advice.
